**Diveheart Instructor/Buddy Training Consists of Three Parts:** online training, reading the manual, and hands-on training in the water! We have three courses that correspond to the able-bodied diver's recreational experience level. Upon gaining the experience to upgrade from one certification to the next, you only pay the difference between the two classes. The prices of the online course and manual are set prices. The open water portion is separate and can fluctuate depending on which location you complete your training at.

- ♥ Adaptive Buddy: \$200 (online) + \$70 (manual) + ~\$180 (pool & open water) = ~\$450
- ♥ Advanced Adaptive Buddy: \$250(online) + \$70(manual) + ~\$180(pool & open water) = ~\$500
- ♥ Adaptive Instructor: \$350 (online) + \$110 (manuals) + ~\$310 (pool & open water) = ~\$770
- ♥ Students are responsible for arranging and covering any needed travel or lodging.
